PREFACE

1. A General revision of financial powers as delegated to various officers in the booklet entitled Book of financial Powers 1977 had been made in 1995. Since then, several changes have occurred in the administrative set up of the Authority after existence of independent corporatised entities. Cost of materials in the market during the last Seven years has also registered appreciable increase. These factors, coupled with others, had necessitated a review of the said booklet. In order to bring the financials powers in line with the latest requirements of the technological and functional responsibilities of officers of Wapda and with a view to achieving the optimum operational efficiency in Wapda this new book of financial powers has now been approved by the Authority.
2. Powers not specifically mentioned which were delegated by Government to various officers in respect of projects or activities transferred by Government to the Authority shall continue to be exercised by the corresponding officers of the Authority in respect of those projects and activities.
3. The exercise of powers covered by the present delegation will subject to such detailed rules or procedures as may have already been approved by Authority or have been issued with the consent of Authority or as the Authority may at any time approve.
4. The decision about the delegation of financial powers as now taken are contained in Section-I to XVIII. In addition to the specific conditions governing the delegation as have been provided for in the foot-notes under the relevant clauses, the delegation will subject to the following general conditions: -
 - i. that the power are not exercised except to promote a program, project or activity approved by a competent authority;
 - ii. that funds exists or are provided in the sanctioned budget of the Authority either on lump sum basis or specifically for the project or activity in connection with which the power is exercised;
 - iii. that foreign exchange if involved has been either already made available or its provision exists in the foreign exchange budget of the Authority sanctioned by the Government (Release of cash foreign exchange will be made by the Authority as soon as the allocation to the Authority has been approved and made available by the Government);
 - iv. that an individual item is not split up into parts merely to enable a part of the whole item to qualify for a particular sanction;
 - v. that powers delegated to and exercisable by an officer shall also be exercisable by his higher Authority;
 - vi. that officers working as staff officers and not holding independent charge of an office shall not exercise powers delegated to officers of their rank in this book unless they are specially authorized to do so by their respective Heads of Division in which case consent of the Authority to their exercising such powers in their respective sphere of duties shall be presumed to have been given;
 - vii. that the officers working as project Directors shall, unless otherwise decided by the Authority by general or special order, exercise powers in their respective sphere of duties as delegated to officers of their rank in this book. Project directors already delegated more powers than contained in

this book under any existing general or special order of the Authority, shall continue to exercise those powers unless they are withdrawn or modified by the Authority;

- viii. that all powers to various officers in this book shall also be exercisable by the respective Members and the Chairman.
5. This book shall be maintained and kept up to date in respect of all amendment/modifications made therein by the Authority from time to time. For this purpose Heads of Division/Offices shall nominate one of their subordinate to perform this duty carefully so that correct application and exercise of powers contained in this book can be ensured.

SECTION-I
POWERS OF THE AUTHORITY
(As amended)

 - (c) The trend of price is not downward.
- (6) All purchase orders for materials with a value of over Rs. 200,000 each and those for Tools and Plants articles, survey and drawing instruments with a value of over Rs. 20,000 for each purchase order, excepting those issued by the competent officers, shall be endorsed to the Chief Engineer (Inspection and Surveillance), WAPDA, Lahore for inspection of such materials before acceptance by the purchasers. As for Purchase Orders of the values of Rs. 200,000 or less, purchasing authority shall ensure that material already rejected by Chief Engineer (I&S) is not accepted.
- (7) "Member concerned may waive off the condition of, inspection against the manufacturer's warranty and factory test reports for all the tests as per WAPDA specifications, in case inspection of material cannot be undertaken due to urgency."
- (8) In case of local purchase of stores and Tools and Plants for Power House without inviting quotations, the officers on the Generation side shall have the power to make advance payment for such local purchase. The advance payment shall be regulated in accordance with the terms and conditions approved by the Authority. These officers shall, if interest of the Authority so requires, also have the powers to amend or deletes such standard clauses of the purchase order form as are unacceptable to the supplier of such items.
- (9) Where material is to be purchased from any Government Controlled Production Unit, purchase may be made on the basis of single quotation obtained from such units. In such cases, obtaining of tenders or quotation from agencies other than the Government Controlled Production Units shall not be necessary for so long as this requirement stands waived off by the Authority.

- (10) The term Local Purchase for the purpose of this section, means the purchase of materials, measuring and testing instruments and tools and plants whether required for stock purposes to meet annual requirements or for immediate incorporation in works in emergency or otherwise, but, in either case, such purchase does not involve payment in foreign exchange.

In addition to the above, the term "Local Purchase" would include stores, plants and tools which: -

- i. Are not procured centrally.
- ii. Are not covered by rate contract or price agreement;
- iii. Are not required for immediate incorporation in works or for immediate use.
- iv. It is considered expedient in the interest or the Authority to procure without calling for quotations but without public tenders and the purchase of such items is confined to what would suffice for the period of emergency and until arrangement can be made for their regular purchase.

Factually, however, local purchase means purchase by a procedure other than by public tendering. With this condition in view, the local purchase virtually refer to those purchases which are made by calling quotations (as distinct from tenders) and without calling quotations in emergent cases, for which monetary powers have been delegated to General Managers/Chief Engineers and others/ vide Clauses 'B' and 'C', 'D' or Section-VI.
