Subject: TRANSFERS/POSTINGS

1. Instructions on the subject have been issued time and again but it is noticed with concern that the same are not being implemented in true letter and spirit.

2. It is therefore reiterated that normal tenure of posting at one place is three years, however, the competent authority may reduce the same by one year. If an individual is required to be posted out/in before two years, prior clearance of Chairman be solicited.

All concerned are requested to follow the above instructions strictly.
