¹⁴ Added by Ordi XXI of 1998 w.e.f. 23.12.1998 and Ordi V of 1999.

¹⁵[**Explanation.**— For the purpose of this section the expression “privatize” means the transfer or disinvestment of any of its assets, property, rights or liabilities, interest, power houses, grid operation of work, or maintenance thereof, or generation or its distribution, by the Authority, with the prior approval of the Federal Government, for valuable consideration to any person, company or body on ownership basis or for management, control, operation or maintenance, either in joint venture or in association or otherwise and subject to such conditions as the Authority may impose.]

9. Schemes framed by other agencies.— (1) Any scheme framed by an agency in any Province other than the Authority, in respect of any of the matters enumerated in sub-section (2) of section 8, if its estimated cost exceeds the amount to be prescribed by the Government, shall be submitted to the Government through the Authority and the Government may pass any of the orders contemplated by sub-section (4) of section 8.

(2) The Authority may, with the approval of the Government undertake the execution of any scheme, or exercise technical supervision and administrative and financial control over the execution of any scheme framed or sponsored by any agency in respect of the matters enumerated in sub-section (2) of section 8.

[9-A. Notwithstanding anything contained in this Act, the Authority may, with the previous approval of the Government undertake the execution of any scheme framed or sponsored by a Provincial Government or any agency under the control of a Provincial Government or exercise technical supervision and administrative and financial control over the execution thereof on such terms and conditions as may be agreed to by the Authority on the one hand and the Provincial Government or, as the case may be, such agency in consultation with the Provincial Government on the other.]

10. Survey and experiments. — The Authority, if it considers this necessary or expedient for carrying out the purposes of this Act, may—

- (a) cause studies, surveys, experiments or technical research to be made; or
- (b) contribute towards the cost of any such studies, surveys, experiments or technical research made by any other agency.

[10-A. On and from such date as the Government may, by notification, declare and subject to such terms and conditions as it may determine, all assets including lands, works, machinery, apparatus, material and plants vested in the Government in the Electricity Department shall vest in the Authority, and all liabilities in respect of the said assets shall be the liability of the Authority.]

11. Control over waters, power houses and grids. — (1) Subject to the provisions of any other law for the time being in force, the Authority—

- (i) shall have control over the—
 - (a) underground water resources of any region in a Province;
 - (b) operation of [its] power houses and grids, including such ancillary works as may be considered necessary for their proper operation;
- (ii) may make recommendations to the Government for prescribing standards for the—
 - (a) operation and maintenance of all irrigation works;
 - (b) maintenance of power houses and grids;
- (iii) may make recommendations to the Government for promoting simplification of methods of charge for supplies of electricity and standardisation of the system of supply;

(2) Before the Authority exercises any control under clause (i) of sub-section (1), the area over which and the extent to which control is intended to be exercised shall be agreed to and notified by the Government in the official Gazette.

12. Authority to have powers and obligations of licensee under Act, IX of 1910.— The Authority shall, for the purposes of the Electricity Act, 1910, be deemed to be a licensee and shall have all the powers and discharge all the obligations of a licensee under the said Act:

Provided that nothing in sections 3 to 11, sub-sections (2) and (3) of section 21 and sections 22, 23 and 27 or in clauses I to XII of the Schedule to the said Act relating to the duties and obligations of a licensee shall apply to the Authority.

¹⁵ Added by Act XIV of 1994.

13. Powers regarding certain matters. — (1) The Authority may take such measures and exercise such powers as it considers necessary or expedient for the carrying out of the purposes of this Act.

(2) Without prejudice to the generality of the power conferred by the preceding sections and the provisions of sub-section (1) of this section, the Authority may for carrying out the purposes of this Act—

- (a) undertake any works, incur any expenditure, procure plant, machinery and materials required for its use and enter into and perform all such contracts as it may consider necessary or expedient;
- (b) acquire by purchase, lease, exchange or otherwise and dispose of by sale, lease, exchange or otherwise any land or any interest in land;
- (c) place wires, poles, wall brackets, stays, apparatus and appliances for the transmission of electricity or for the transmission of telegraphic or telephonic communications necessary for the proper execution of a scheme;
- (d) direct the owners of private lands to—
 - (i) carry out measures for training of streams;
 - (ii) undertake anti-erosion operations, including conservation of forests and re-a forestation;
- (e) restrict or prohibit by general or special order the clearing and breaking up of land in the catchments area of any river;
- (f) direct that any work which has been required to be done by any person under the two preceding clauses, and which remains undone, shall, after due notice to such person and consideration of any objection raised by him, be executed by the Authority and specify the proportion in which the risk and expense of such work shall be borne by such person, or by any other person who, after being given a reasonable notice and after such inquiry as the Authority considers necessary, is held by the Authority to be responsible for the execution of such work in whole or in part; and
- (g) seek and obtain advice and assistance in the preparation or execution of a scheme from any local body or agency of the Government, and as such local body or agency shall give the advice and assistance sought by the Authority to the best of its ability, knowledge and judgment:

Provided that the Authority shall pay the cost of such advice and assistance if the giving of such advice and assistance entails additional expenditure to the local body or the agency.

(3) The acquisition of any land or any interest in land for the Authority under this section, or for any scheme under this Act, shall be deemed to be an acquisition for a public purpose within the meaning of the Land Acquisition Act, 1894, and the provisions of the said Act shall apply to all such proceedings.

14. Right of entry.— (1) The Chairman or any person authorized by him in writing, may enter upon and survey any land, erect pillars for the determination of intended lines of works, make borings and excavations and do all other acts which may be necessary for the preparation of any scheme:

Provided that when the affected land does not vest in the Authority, the power conferred by this sub-section shall be exercised in such manner as to cause the least interference with, and the least damage to the rights of the owner thereof.

(2) When any person enters into or upon any land in pursuance of sub-section (1), he shall, at the time of entering or as soon thereafter as may be practicable, pay or tender payment for all necessary damage to be done as aforesaid, and in case of dispute as to the sufficiency of the amount so paid or tendered, the dispute shall be referred to the Deputy Commissioner of the district whose decision shall be final.

15. Sanction of the Government. — A scheme framed and sanctioned under this Act may be amended or modified by the Authority at any time, but if a material change is made in the scheme, previous sanction of the Government shall be obtained.

Explanation— An increase in the cost of the scheme by more than fifteen per cent of the sanctioned cost, or a change in the benefit and cost ratio which either makes the cost component in the ratio exceed the benefits or reduces the benefits component by more than fifteen per cent shall be deemed to be a material change for the purpose of this section.

16. Arrangements with local body or other agency. — (1) As soon as any scheme has been carried out by the Authority or at a later date, the Authority may arrange by a written agreement with a local body or other agency within whose jurisdiction any particular area covered by the scheme lies, to take over and maintain any of the works and services in that area. If the Authority fails to obtain the assent of such a local body or other agency, it may refer the matter to the Provincial Government and the Provincial Government may give such directions to the local body or the other agency as it may deem fit.

(2) The Government shall have the power to direct the Authority to hand over any scheme other than a power scheme or the power part of a multi-purpose scheme carried out by it to any agency of the Government or a local body. In such a case the Authority shall be entitled to receive credit to the extent of the audited expenditure incurred by it on that scheme.

CHAPTER IV ESTABLISHMENT

17. Employment of officers and servants.— (1) The Authority may from time to time employ such officers and servants, or appoint such experts or consultants, as it may consider necessary for the performance of its functions, on such terms and conditions as it may deem fit:

Provided that all persons serving in connection with the affairs of a Province in the Electricity and Irrigation Departments shall be liable to serve under the Authority, if required to do so by the Provincial Government, on such terms and conditions as the Provincial Government may, in consultation with the Authority, determine but shall not be entitled to any deputation allowance:

Provided further that the Provincial Government may, in relation to any such person as aforesaid, delegate such administrative, disciplinary and financial powers to the Authority as the Provincial Government may deem fit:

Provided also that the terms and conditions of service of any such person as aforesaid shall not be varied by the Authority to his disadvantage.

¹⁶[(IA) “Notwithstanding anything contained in sub –section (IA) or any law, settlement or for the time being in force, or any rules or regulations framed under this Act, or any rules, regulations, orders or instructions issued by the Authority or in the terms and conditions issued by the Authority, or in the terms and conditions of service of any person employed by, or serving under the Authority, the Authority may, at any time,

a) retire from its service any person without assigning any reasons; or

be remove from its service any person after informing him in writing of the ground on which such action in propose to be taken and giving him an opportunity of showing cause against the action within, fourteen days.
